

**REMARKS**

Claims 1, 3, 6, 10, 12, 15, 17, 19, 22, 26, 28, 31, 33, 35, 38, 44, and 47 have been amended. Claims 2, 4-5, 11, 13-14, 18, 20-21, 27, 29-30, 34, 36-37, 43, and 45-46 have been canceled. No new claims have been added. Claims 1, 3, 6-10, 12, 15-17, 19, 22-26, 28, 31-33, 35, 38-42, 44, and 47-48 are pending.

Figs. 1, 3, and 5 stand objected under 37 C.F.R. 1.84(p)(5) because the references 118 and 120 are not mentioned in the specification. Paragraph [0019] has been amended to address the objection. No new matter has been entered. Accordingly, the objection to the drawings should be withdrawn.

Figs. 1, 3, 5, and 8 stand objected under 37 C.F.R. 1.83(a) because drawing elements 112 and 806, described in the specification, are not shown in the figures. New drawing sheets for Figs. 1 and 8 are concurrently submitted with this response. Fig. 1 includes a label 112 and Fig. 8 includes a label 806. No new matter has been entered. Accordingly, the objection to the drawings should be withdrawn.

Figs. 2, 4, and 6 stand objected under 37 C.F.R. 1.83(a) because they do not show the correct search results as described in the specification. New drawing sheets for Figs. 2, 4, and 6 are being submitted with the response. These figures are consistent with the described search results. Accordingly, the objection to the drawings should be withdrawn.

Claims 6, 15, 22, 31, 38, and 47 stand objected due to minor informalities. Claims 6, 15, 22, 31, and 38 have been amended to address the informalities. Accordingly, the object to the claims should be withdrawn.

Claims 5, 14, 21, 30, 37, and 46 have been indicated to cite allowable subject matter, but stand objected due to rejection of their respective base and intervening claims. Claims 5, 14, 21, 30, 37, and 46, as well as their respective intervening claims have been canceled, and their limitations are respectively incorporated into their independent claims.

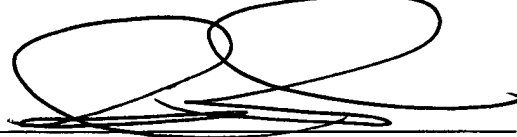

Accordingly, independent claims 1, 10, 17, 20, 33, and 42 are now believed to be allowable over the prior art of record. The depending claims should be allowable for at least the same reason as their independent claims.

## CONCLUSION

In light of the amendments contained herein, Applicants submit that the application is in condition for allowance, for which early action is requested.

Please charge any fees or overpayments that may be due with this response to Deposit Account No. 17-0026.

Respectfully submitted,

By: \_\_\_\_\_
